

At Last, we have our dates for this year's Movie nights sponsored by Better Marriages Gateway Chapter held at Schlafley Bottleworks. They are:

April 30 July 30 Oct 29

Our first movie will be “Meet the Patels”, a charmingly honest, laugh out loud, autobiographical account of an unmarried Indian-American male who agrees to let his parents arrange his marriage after his own attempts to find love fail. Filmed by his sister who accompanied him on his dates, we are part of this family's adventure as they try to adapt a time honored custom to modern America.

Thank you Diane Weber for this hilarious recommendation.

See You April 30!
Helene and George
